Tele. 614/537-3319 • FAX 614/363-2647 • www.ohioorthosociety.org

On behalf of the Executive Committee of the Ohio Orthopaedic Society, I cordially invite you to attend the 84th Annual Meeting to be held on May 2-3, 2024 at the Quest Conference Center, 9200 Worthington Road, Ste 400 in Westerville, Ohio. We are planning an excellent scientific and social program and will be introducing some new programs that are helping orthopaedic surgeons in Ohio have an impact on how medicine is practiced. Please join us and learn how the OOS is adapting to meet the needs of our membership. I am sure you will agree the meeting promises to be both educational and informative.

Introduction and Forum on the Four Types of Practice Settings in Orthopaedics:

This year, we will have an in-depth forum on the various types of practices: Independent Practices, Private Equity Partnerships, Employed Physicians and Academic Hospital Based Programs. Douglas Lundy, M.D., Chair, Department of Orthopedic Surgery and Orthopedic Trauma Surgeon, St. Lukes University Health Network, Bethlehem, Pennsylvania, who is a nationally recognized expert on different practice types will address our membership on the advantages and disadvantages of each organizational structure.

We will then have a presentation from a representative from each of the different types of practices:

- Independent Practices- Jonathan Feibel, M.D., Orthopedic One, Columbus
- Private Equity Partnerships- Peter Cha, M.D., Beacon Orthopedics/OrthoAlliance, Cincinnati
- Employed Physicians- Jason Tank, M.D., ProMedica Physician Group, Toledo
- Academic Hospital Based Program- Christopher Furey, M.D., University Hospitals, Cleveland

This will be followed by an open-mic discussion to encourage physician participation moderated by Dr. Lundy.

Other Highlights of the Meeting Include:

- Board of Councilors Report-Joel Mayerson, M.D., Newly Elected Chair of the AAOS Board of Councilors
- Overview of Actions by the State Medical Board of Ohio-Jonathan Feibel, M.D., President
- Ohio Legislation and Regulatory Activities Affecting the Practice of Medicine in Ohio-Monica Hueckel, Vice President, Advocacy, Ohio State Medical Association
- Resident Papers Podium Presentations and Poster Contest
- Strategies for Surviving Prior Authorization in Orthopaedic Practices
- Analysis of Ohio Political and U.S. Senate Races
- Thursday Golf Outing for Members, Residents and Exhibitors

If you have been in practice for a number of years or are just beginning a career in medicine, you will not want to miss this unique opportunity to better understand the changing healthcare environment.

This program will be accredited for CME credits by Mercy Health, Toledo to participants based on the number of hours in attendance.

If you have questions, please contact Steve Landerman at (614) 537-3319 or Steve@OhioOrthoSociety.org.
